Care Instructions Natural Fibre Printed Fabrics

- We recommend washing your garment on cold, with like colours, wash the item separately for the first time or two, it is not recommended to use stain removers on pigment printed fabrics, as it could remove or fade the colour.
- Tumble dry on low heat. This prevents shrinkage and helps to keep your print from fading.
- Turning your garment inside out before you wash and dry it will help it look better longer.
- Gentle hand wash separately in cold water.
- Avoid strong detergents, hard spinning, hot or industrial wash.
- Do not bleach.
- Drip dry – do not wring.
- Do not scrub.
- Iron on reverse.
